Ø Please bring any other **music** that you may want to work on or perform, including any clarinet ensemble works quartets, trio's etc. If possible can you please bring along a music stand. If you have a bass clarinet or E flat clarinet and can bring it with you, we will try to use them in the ensembles.

Ø¥ Do bring **writing materials** for notes and you are welcome to bring any **recording** devices as they will be useful to record of the wide range of information that you will receive during the day

Øa Don't forget to bring a large selection of **rejected reeds** for you to work on during the reed class!

Please bring your own copies if you have them for any of the works you might like to play with the accompanist and if possible let me know as soon as you can what they might be, time is limited so please think of using easier works that we can talk about more general points for example, the slow movement Poulenc Sonata for Clarinet & Piano or slow movement Saint-Saëns Sonata if you have an unaccompanied work do think of using that too
